Beauty With Morna

Opatra Facial

The fundamental ritual for a holistic skincare regime, DERMISONIC is a professional-beauty device, which combines ultrasonic sound waves and effective skincare technology: ion (galvanic current), photon (red, blue, green lights), ultrasound, and vibration massage. When used in combination with facial creams, Dermisonic improves product penetration at a deeper cellular level. The result is a solution that helps to deliver a radiant, healthy and hydrated skin complexion. This unique and powerful technology is designed to promote cell renewal and repair by improving the skin's feel and appearance by helping with: - Cleansing the skin at a deep cellular level - Tightening and eliminating the appearance of fine lines and wrinkles - Aiming to reducing fat, shape slim face contour - Targeting skin spots and dark circles around the eye area - Promoting blood circulation and skin metabolism

Tanning

Fake Bake tans are one of the leading tans and solutions will develop to complement your natural pigment. We say 'hell no' to orange tans! All liquids are free from artificial preservatives and parabens and contain our naturally-derived, unique tanning formula for longer lasting, natural looking results.

Spray Tan

I bring my own tent to spray you in. I need a room with a good light and ventilation. This is the perfect accessories to any outfit for any occasion.

£22

Pamper Tan

Lie down and rest while I fully exfoliate your body and face as this will prepare the skin ready for your tan to be applied. Meaning that the tan will be even and last much longer. Finishing with the cream tan being applied.
